

WHO ARE WE?

Koala Klubs opened our first activity day camp back in 2009. Our vision was to offer exceptional fun and new experiences for kids in the school holidays.

Beginning with one summer camp in Nottingham, Koala Klubs offered something different for children in the school holidays. Our activity day camps went above and beyond to offer the widest range of activities to suit every child's interests. Right from the beginning Koala Klubs offered activities kids didn't have the opportunity to do anywhere else. We continue to review our activities to make sure we offer a unique experience for kids in the school holidays.
